F/2009/0575	Meadowcroft, Wood Lane, Barkham Proposed change of use of barn to stables and variation of agricultural occupancy condition (Condition 3 of planning Permission 97/65655/F) to include equestrian use.	Delegated Opposed

Clerk to write to WBC opposing this application and to bring this application to the full Council. The site of Meadowcroft originally housed a mobile home which was replaced with a large house when the applicant wished to keep ostriches, this business soon proved not to be viable. At the time of that application, BPC questioned the viability of the enterprise and drew WBC's attention to the disparity between the size of the proposed house and the scale of the proposed business and it opposed that application on those grounds. Now the applicant wishes to keep liveryies. BPC sees this as a continuation of the creeping development and is opposed to it on these grounds too.

On examining the plans an email from the Planning Officer at WBC to the agent was noted which states "I can confirm that the planning authority would be happy to amend the occupancy condition to equestrian". It would appear from this email that WBC have in effect given approval before any consultation has been concluded. The Planning Committee to seek the advice of Mrs Stubbs as Borough Councillor.

F/2009/0003	Land North of Barkham Manor, Barkham Road Proposed erection of manege.	Appeal Lodged With Planning Inspectorate

Clerk to write to the Inspector opposing both of these applications as before and endorsing WBC comments for refusal.
