

# MAJOR DEVELOPMENTS NEWSLETTER

## New Interactive Progress Maps

Last year we published progress maps for each of the four Major Developments to help you keep track of what's happening on the sites. We are now excited to share with you a **new version of the progress maps** -- fully interactive online maps that tell you where each site is in the planning process, what sites are under construction, who the developer is and much more!

All the maps are linked from our [Major Developments](#) webpage or go straight to the map that interests you:

- [Arborfield](#)
- [Shinfield](#)
- [North Wokingham](#)
- [South Wokingham](#)

Take a look and tell us what you think! Send comments to [communityengagement@wokingham.gov.uk](mailto:communityengagement@wokingham.gov.uk).
